SIR

Subject - Sanction for the payment of an allowance to the Kannada Pandit for doing Sanskrit work in the Municipal High School, Bowringpet

I have the honour to state that the Deputy Director of Public Instruction Bangalore, recommends that the payment of an allowance of Rs 10/- per mensem to the Kannada Pandit in the Municipal High School Bowringpet for teaching Sanskrit may be sanctioned as proposed by the Managing Committee of the School and agreed to by the Local Municipal Council Copies of resolutions passed in the matter by both the bodies referred to above are submitted herewith for perusal of Government

It is reported that the Kannada Pandit of the above school is doing 16 periods of Kannada work and 12 periods of Sanskrit work, t excess over the normal work that could be done by the Pandit being arranged beyond school hours by suitable adjustment of timings T Deputy Director further reports that the need for a full-time Sans Pandit for the school will be kept in view and the question examin during 1944-45

It is stated that similar part-time allowances were or are being paid in the Municipal High School Chintamani and the K G F High School for additional work done similarly by the Pandits of those schools

Both the Managing Committee of the School at Bowringpet and the Local Municipal Council have agreed to pay the allowance with effect from 1st July 1942 Necessary provision for the purpose is stated to have been made in the budget of the school for the year 1943-44 and the arrears are proposed to be met out of the anticipated savings in the school budget for the current year But since the official year 1943-44 is coming to a close the cost up to the end of this year cannot be met from the allotments of this year as proposed by the management The cost has therefore to be met from the budget allotments of the school for 1944-45

I recommend therefore that sanction may be kindly accorded to the payment of an allowance of Rs 10/- per mensem with effect from 1-7-1942 to the Kannada Pandit of the school referred to above for his additional work in Sanskrit the cost being met from the budget allotments of the school during 1944-45

I have the honour to be
Sir
Your most obedient servant
